DETAILED ACTION

This action is in response to applicant's amendment received on June 13, 2006.

Allowable Subject Matter

1. Claims 1 – 5 are allowed.

The following is an examiner's statement of reasons for allowance: The amended independent claim recites,

"a body fixed to a designed position inside a groove formed in an instrument panel in an automobile, and provided with an internal portion formed by a depression formed into a front surface at a designated;

a plurality of protrusions supporting ends of the elastic member in the main body and the push cover,

wherein the push cover is rotatably hinged at a central portion thereof and cooperates with connectors positioned at a central portion of the main body."

Based on amended claims filed on June 13, 2006, the added structure defines over the prior art on record.

Any comments considered necessary by applicant must be submitted no later than the payment of issue fee and to avoid processing delays should preferably
